

REC SCHOOL YEAR

2025-2026

The REC Program is a user-pay program designed for children ages 5½ to 12, providing a safe and engaging environment after school. Our dedicated staff will escort students in grades 1-5 from school to REC. Please note that we do not offer pick-up for kindergarten.

With a leader-to-child ratio of 1:10, every participant enjoys the benefits of both self-directed and organized recreational activities, including arts and crafts, creative workshops, and enriching experiences that foster social connections, human development, and lifelong learning. All activities are supervised by trained recreation leaders who are certified in CPR, ensuring a fun and safe space for all.

Any participant registered for September will get August 20-29 free. DROP IN ONLY, August 20, 21, 22. Walking will begin the week of August 25.

PROGRAM PERKS

Free access to the REC Vacation Camps (November, December, January, February and April).

Late Night REC on the first Friday of every month from 6:00 pm to 8:00 pm (dinner included).

All day REC on no school days 8:00 am to 6:00 pm.
