Good Evening,

Myself and many of my friends and neighbors utilize the current Senior Center taking advantage of the many classes and programs offered. Currently I take the paid yoga class offered there twice a week offered by the excellent instructor, Eden Serina. Over the past few years, the class attendance numbers have grown, filling up on the first day of sign-ups. We could certainly use a larger room to accommodate all who wish to attend.

I'm guessing the space issue also affects many of the other classes/programs offered. It has been many years since the larger Senior Center/Scout house project has been on the horizon. It's time to make it happen!

Please find a way . . .

Kind regards and Namaste,

Laura

Dear Council Members,

Please provide funding for the Manhattan Beach Community Emergency Response Team.

MBCERT provides many valuable emergency response and community awareness services to the city and its residents.

Thank you.

I am in favor of funding for CERT. This is the sort of community program that, in times of crisis, can help injured and save lives. It also has the benefit of building community camaraderie and team work.
